Sponsorship & Support

This event would not be possible without the support of our sponsors and the goodwill of our speakers and judges who donate their time. We are very grateful for the generous donations including raffle prizes, received each year and sincerely thank sponsors, speakers and judges for all their support.

Fish Shows 2022. Welcome return of the fish_shows this year.
Betta Splendens
Labyrinth Fish (excluding B. Splendens).

While the AAGB will do everything reasonably possible to provide a safe environment for the fish on show and in the auction, the decision to bring fish to the event and the welfare of the fish remains the responsibility of the owner.

Auctions- October 2022 only

Labyrinth fish auction

Fish to be booked in by lunchtime Saturday at the latest.
15% commission will be paid to AAGB.

Non Labyrinth and other goods auction

A fish (none Labyrinth fish) plants, foods & equipment auction will take place after the main auction. Items must be booked in lunchtime Saturday at the latest. 15% commission will be paid to AAGB.

A.A.G.B. SHOW RULES 2022

Section A Judges & Judging only.

Section B SHOW RULES.

B1 All exhibits must be shown in clear flat four sided tanks.

B2 All exhibits must be able to be viewed from all four sides and above.(single fish classes only)

B3 Tanks may not be sub-divided unless showing pairs or breeders teams.

B4 Tanks may contain natural or coloured gravel or have a painted base.

B5Tanks must not contain rock work or similar decoration.

B6 Tanks may contain a minimum amount of aquatic plant that is considered necessary to encourage fish to deport and to reduce stress.

B7 Tanks must be of adequate size and not be detrimental to the fishes well being

B8 Water in the tank must be adequate for the fishes well being, and must not have artificial colourants or be clouded by food or other particles.

B9 All tanks must be labelled to show a scientific or common name of the exhibit.

B10 Fish shown heavy in spawn will lose points or even be disqualified.

B11 Diseased fish will be disqualified.

B12 More than one fish shown in a tank in the single classes will be disqualified.(e.g. A mouth brooding fish with fry)

B13 All fish to be exhibited in owner's name

B14 Pairs shall consist of one male & one female of the same species. They may be shown together or in a divided tank or in separate adjacent tanks, should the exhibitor desire.

B15 Best in Show is the one gaining most points from the single fish classes

B16. Best Exhibit comes from all classes except the single fish classes.

B17 Members Favourite Fish is chosen by all the members present at the meeting, the fish gaining the most votes will be declared the winner.

Section C BREEDERS TEAM SHOW RULES

C1 Rules B1 to B13 shall apply equally to the breeders exhibits.

C2 All fish must be the property of and have been bred and reared by the exhibitor.

C3 The date of hatching must be clearly stated on the tank. For mouthbrooders date released by parent.

C4 All fish must be at least 3 calendar months old.

C5 The exhibits shall be termed as a team and shall consist of six (6) fish in any combination of sex, 3 matched pairs being given precedence when points are equal.

C6 The exhibits may be shown in one tank or divided tanks (tank may only be divided once) or in separate adjacent tanks (individual fish per tank), if the exhibitor so desires.
